District Use Only

Permit No. _____

MTGCD Well No. _____

IMPORTANT NOTE: PERMIT APPLICANT MUST SUBMIT AN APPLICATION FOR WELL REGISTRISTRATION PRIOR TO OR IN CONJUNCTION WITH THE SUBMITTAL OF THIS PERMIT APPLICATION.

Instructions: Fill out this form for each well (type or print). **Submit permit application form along with an application fee of \$225.00 (\$25.00 + \$200.00 refundable deposit) for each well to the Erath County office at the address above.** Additional information or explanation may be attached.

In accordance with District Rule 5.11(e), the information provided by the permit applicant in the spaces below will be incorporated into the permit if a permit is issued. The permit will be granted on the basis of, and contingent upon, the accuracy of the information supplied in this application. A finding that false information has been supplied is grounds for immediate revocation of the permit. In addition, the information given in this permit application will be supplemented by the information provided by the permit applicant in the well registration application that is submitted to the District for the proposed well.

Date of application: _____ **Date well is anticipated to begin producing groundwater:** _____

Well Location Information – Location Map

Please attach a 7.5 minute United States Department of Interior Topographic Map showing the proposed well location and an alternative well location that meets the District's minimum spacing and location requirements stated in Section 7 of the District's Rules, and showing all wells in existence on the date of application within a quarter (1/4) mile radius of the location(s) of the proposed well. Copies of such maps for use by an applicant may be obtained from the District Office. Alternatively, instead of providing a map, the applicant may provide latitude and longitude coordinates as measured by a calibrated GPS instrument for the proposed well(s) and such nearby wells.

Well Information

Estimated rate at which water will be withdrawn from proposed well: _____

Water Conservation Plan attached? Yes No. If no, sign below as a declaration that the applicant will comply with the District's Management Plan.

(applicant's signature)

Drought Contingency Plan attached? Yes No. If applicant is a wholesale or retail public water supplier, or an irrigation district, a copy of its drought contingency plan must be attached to this application.

Is the applicant a retail public utility as defined by Section 13.002 of the Texas Water Code? Yes No.

If the answer was yes to the question above, will the proposed well be located at least 500-feet from all property lines on the property? Yes No

List subdivision(s) or service area proposed well will service, if applicable: _____

Will the groundwater withdrawn under this permit be used in conjunction with another Operating or Grandfather Permit?
 Yes No

If yes, explain: _____

Will this well be placed in aggregate with other wells? Yes No. If yes, with how many? _____ Are they permitted:
 Yes No

Will the groundwater withdrawn from the well be resold, leased, or otherwise transferred to others? Yes No. If yes, please provide the location to which the groundwater will be delivered: _____

If the answer was yes to the question above, please provide the purpose for which the groundwater will be used: _____

If the answer was yes to the question above, please attach to this application a copy of the legal documents establishing the right for the groundwater to be sold, leased, or otherwise transferred, including but not limited to any contract for the sale, lease, or transfer of groundwater.

Please submit signed application along with any attachments and the applicable fees of **\$225.00** to **MTGCD, 930 Wolfe Nursery Rd, Stephenville, Texas 76401**. The permit application fees may only be paid by personal check, cashiers check, or money order.

Note: Pursuant to Section 9 of the District's Rules, the District is required to hold permit hearings on permit applications, permit revocations or suspensions, and certain permit renewals or amendments. Public notice of permit hearings before the District's Board of Directors on the permit applications submitted to the District will be posted at a place convenient to the public in the District Office and by the county clerk of Comanche, Bosque and Erath Counties on a bulletin board at a place convenient to the public in the county courthouse.

Amendment of Permits: Rule 5.13 of the District's Rules establishes that a substantial change to a permit may be made only after application to and approval by the District. A substantial change to a permit includes a change that would substantially alter the size or capacity of a well, an increase in the annual quantity of groundwater authorized to be withdrawn, a change in type of use or location of use of the water produced, a change of location of groundwater withdrawal except as provided in Section 6 of the District's Rules for replacement wells, or the addition of a new well to be included in an already permitted aggregate system.

CERTIFICATION:

Applicant agrees to comply with the District's Rules, plans established pursuant to the District's Rules and the terms of the permit. _____ Yes _____ No

I hereby certify that the information in this permit application and in the associated well registration application is true and accurate to the best of my knowledge and belief.
